

## Simple Emergency Plan

---

### **BEFORE**

Have your gutters cleared  
Secure loose items like garden chairs etc  
Stock up with non-perishable food  
Have bottled water in sufficient quantity  
Ensure that your car is ready to take you out of the situation  
Familiarise yourself with the route in case you leave your home

### **DURING**

Stay Calm.  
Keep informed about the conditions as good as possible  
Stay in touch with neighbours  
Be prepared for power cut, internet and phone loss  
Know the time when you should not leave the house anymore

### **AFTER**

Assess damage, take photos and notes  
Contact your insurance company as soon as possible
